## CERTIFICATE OF COMPLIANCE

|                |  |
|----------------|--|
| <b>Product</b> | <b>Value</b>   |
| <b>Author</b>  | <b>Intertek Health, Environmental, and Regulatory Services</b> |
| <b>Date</b>    | <b>20 December 2013</b>  |

Intertek confirms that the product referenced above complies with the following requirements:

### **Food Contact**

#### **European Union**

Complies with Regulation (EU) 10/2011

Complies with the requirements of Regulation (EC) No 1935/2004

Test results on the final article Value demonstrate that the overall migration limits of the Commission regulation(EU) No 10/2011 do not exceed 60 mg/Kg. Any substances subject to a specific migration limit in Europe by calculation are not exceeded.

#### **United States**

Complies with the requirements of 21 CFR 175.300 resinous and polymeric coatings.

Complies with the requirements of 21 CFR 177.1520 olefin polymers.

Complies with the requirements of 21 CFR 178.3297 colorants for polymers.

Intertek, to the best of its knowledge, believes that the information provided above is accurate and correct, based on the sources available at the time of writing. This evaluation was based on the intended use of Nomacorc's product for use in aqueous, acidic, and alcoholic foods, including wine.
